# Special Needs Co-Parent Comparison

A neutral side-by-side view of what Alex Rivera and Jordan Rivera reported. This report does not label either parent as correct or incorrect. It highlights where you already agree and where a coordinated conversation may be helpful.

*This document is for co-parent preparation and mediation. It is not legal advice, does not determine parental fitness, and does not diagnose.*

Safety notice: this is a synthetic sample. If either parent's circumstances change, revisit the Family Violence & Communication Safety Assessment before continuing to share detailed information.

## At a glance

87 shared questions compared. 72% aligned. 7% show different views.

*Shared pathways: medical, educational, psychological*

## 5 things you already agree on

*A neutral snapshot of your strongest shared ground. Consider starting your co-parent conversation here.*

## Step 1. Understand the Concern

### Medical Needs

Describe procedure

**Alex Rivera**
Ari lives with moderate persistent asthma. Uses a daily controller inhaler and needs a rescue inhaler on hand.

**Jordan Rivera**
Ari's asthma is manageable but we have missed a few doses during transitions between homes.

Roughly how long has this been a concern?

Aligned

**Alex Rivera**
1 to 3 years

**Jordan Rivera**
1 to 3 years

This concern currently affects my child's daily life.

Aligned

**Alex Rivera**

4 - Agree

**Jordan Rivera**

3 - Unsure

How time-sensitive is this concern?

Aligned

**Alex Rivera**
Ongoing / stable

**Jordan Rivera**
Ongoing / stable

## Educational Needs

Describe a specific

**Alex Rivera**
Ari has an IEP for dyslexia and reads at a lower level than peers.

**Jordan Rivera**
Ari is working hard but struggles with reading and homework at home.

Roughly how long has this been a concern?

Aligned

**Alex Rivera**
1 to 3 years

**Jordan Rivera**
1 to 3 years

This concern currently affects my child's daily life.

Aligned

**Alex Rivera**
4 - Agree

**Jordan Rivera**
3 - Unsure

How time-sensitive is this concern?

Aligned

**Alex Rivera**
Ongoing / stable

**Jordan Rivera**
Ongoing / stable

## Psychological or Behavioural Needs

Describe need, or a

**Alex Rivera**
Ari has been experiencing anxiety around transitions and social situations.

**Jordan Rivera**
I've noticed Ari is more withdrawn than usual after busy weeks.

Roughly how long has this been a concern?

Aligned

**Alex Rivera**
1 to 3 years

**Jordan Rivera**
1 to 3 years

This concern currently affects my child's daily life.

Aligned

**Alex Rivera**
4 - Agree

**Jordan Rivera**
3 - Unsure

How time-sensitive is this concern?

Aligned

**Alex Rivera**
Ongoing / stable

**Jordan Rivera**
Ongoing / stable

# Step 2. Identify the Child's Current Needs

### Medical Needs

Which of

Both parents selected: Chronic medical condition, Medication schedule

Only Alex Rivera selected: Regular specialist appointments

Only Jordan Rivera selected: Allergies or dietary restrictions

Anything else about your child's current needs that we should note?

One pare

**Alex Rivera**
Air purifier needed at both homes.

**Jordan Rivera**
-

### Educational Needs

Which of

Both parents selected: Homework and study support, Special education services (IEP or 504)

Only Alex Rivera selected: Learning differences

Anything else about your child's current needs that we should note?

Not enou

**Alex Rivera**
-

**Jordan Rivera**
-

### Psychological or Behavioural Needs

Which of

Both parents selected: Emotional regulation support, Ongoing therapy or counseling

Only Alex Rivera selected: Diagnosed condition (e.g., anxiety, ADHD, depression)

Anything else about your child's current needs that we should note?

Both resp

**Alex Rivera**
Additional support during school transitions.

**Jordan Rivera**
Additional support during school transitions.

## Step 3. Review Professional Recommendations

### Medical Needs

Who is c
treating y

Both parents selected: Paediatrician

Only Alex Rivera selected: Specialist doctor

What is the most recent medical recommendation for your child? Summarise it in your own words.

Both resp

**Alex Rivera**
Two puffs of controller inhaler morning and night, rescue inhaler as needed.

**Jordan Rivera**
Follow the paediatric plan. Track any night-time symptoms.

Do you have the recommendation in writing (report, plan, prescription, IEP, etc.)?

Aligned

**Alex Rivera**

Yes

Yes

I understand the current recommendations for my child.

Aligned

**Alex Rivera**
5 - Strongly agree

**Jordan Rivera**
5 - Strongly agree

## Step 6. Agreement and Disagreement

### Medical Needs

Where do

**Alex Rivera**
We both agree Ari's daily controller inhaler is non-negotiable.

**Jordan Rivera**
Both of us take asthma seriously and follow the paediatrician's plan.

Where do you and your co-parent see it differently?

Both resp

**Alex Rivera**
How to handle sleepovers at friends' houses.

**Jordan Rivera**
Whether Ari can do overnight sports camps.

Which type of gap best describes the disagreement?

Different

**Alex Rivera**
Communication style

**Jordan Rivera**
Different priorities

### Educational Needs

Where do

**Alex Rivera**
Both parents attend IEP meetings.

**Jordan Rivera**
Both parents value school attendance and support the IEP.

Where do you and your co-parent see it differently?

Both resp

**Alex Rivera**
Screen time as a reading reward.

**Jordan Rivera**
Whether Ari should be pushed to attend tutoring during summers.

Which type of gap best describes the disagreement?

Different

**Alex Rivera**
Communication style

**Jordan Rivera**
Different priorities

### Psychological or Behavioural Needs

Where do

**Alex Rivera**
We both believe therapy is important.

**Jordan Rivera**
We both agree Ari needs consistent emotional support.

Where do you and your co-parent see it differently?

Both resp

**Alex Rivera**
How much to talk about therapy content with each other.

**Jordan Rivera**
Whether Ari's therapist should join a joint parent meeting.

Which type of gap best describes the disagreement?

Different

**Alex Rivera**
Communication style

**Jordan Rivera**
Different priorities

## Step 7. Practical Co-Parenting Options

### Medical Needs

Select the

Both parents selected: Shared calendar for medical appointments
Only Alex Rivera selected: Medication cross-check at each handoff
Only Jordan Rivera selected: Written medication list travels with the child
Any other practical option you would like to propose?

Not enou

**Alex Rivera**
-

**Jordan Rivera**
-

### Educational Needs

Select the

Both parents selected: Consistent homework routine across homes
Only Alex Rivera selected: Shared IEP folder or document
Any other practical option you would like to propose?

Not enou

**Alex Rivera**
-

**Jordan Rivera**
-

### Psychological or Behavioural Needs

Select the

Both parents selected: Consistent bedtime and morning routines
Only Alex Rivera selected: Shared communication plan around therapy days
Any other practical option you would like to propose?

Not enou

**Alex Rivera**
-

**Jordan Rivera**
-

## Step 8. Create an Action Plan

### Medical Needs

What is th

**Alex Rivera**
Refill spacer prescription this week.

**Jordan Rivera**
Book the annual asthma review together.

When could you and your co-parent meet (or send a written proposal) to discuss this plan?

Different

**Alex Rivera**
Within 2 weeks

**Jordan Rivera**
Within a month

Which paediatrician, specialist, or therapist would be most useful to consult next, and about what?

Both resp

**Alex Rivera**
Meet with pulmonologist to update the action plan.

**Jordan Rivera**
Confirm with paediatrician that both homes have the correct dose.

Are there any concerns about the plan you would like to raise before finalising it?

Not enou

**Alex Rivera**

-

**Jordan Rivera**

-

## Educational Needs

What is th

**Alex Rivera**
Send the school our shared contact list.

**Jordan Rivera**
Set a consistent reading window on school nights.

When could you and your co-parent meet (or send a written proposal) to discuss this plan?

Different

**Alex Rivera**
Within 2 weeks

**Jordan Rivera**
Within a month

Which teacher, school counsellor, IEP team, or educational specialist would be most useful to consult next, and about what?

Both resp

**Alex Rivera**
Request an IEP progress meeting mid-term.

**Jordan Rivera**
Meet with the reading specialist together.

Are there any concerns about the plan you would like to raise before finalising it?

Not enou

**Alex Rivera**
-

**Jordan Rivera**
-

## Psychological or Behavioural Needs

What is th

**Alex Rivera**
Confirm this month's therapy schedule with Ari.

**Jordan Rivera**
Establish a shared quiet-hour routine at both homes.

When could you and your co-parent meet (or send a written proposal) to discuss this plan?

Different

**Alex Rivera**
Within 2 weeks

**Jordan Rivera**
Within a month

Which psychologist, therapist, psychiatrist, or behavioural specialist would be most useful to consult next, and about what?

Both resp

**Alex Rivera**
Schedule a joint parent meeting with the therapist.

**Jordan Rivera**
Send the therapist an update on how Ari's doing.

Are there any concerns about the plan you would like to raise before finalising it?

Not enou

**Alex Rivera**
-

**Jordan Rivera**
-
