SA Coparents

AN APP FOR FAMILIES · MADE WITH CARE

Helping parents communicate better.

For separated, divorced, and co-parenting families who want less conflict — and more calm.

- **Calm, not reactive.**
  AI-powered coach helps you write replies that stay child-centred — even on the hard days.
- **A private space to think.**
  Journaling prompts, breathing exercises, and reflections that keep you steady.
- **Real support when you need it.**
  Safety tools, crisis hotlines, and communication guidance — always one tap away.

Start using it today.

Free to try. Private by default.
