SA Coparents

AN APP FOR FAMILIES · MADE WITH CARE

Helping parents communicate better.

Less conflict. More calm. A private space for co-parenting families to reflect, plan, and communicate — with their child at the centre.

SA Coparents

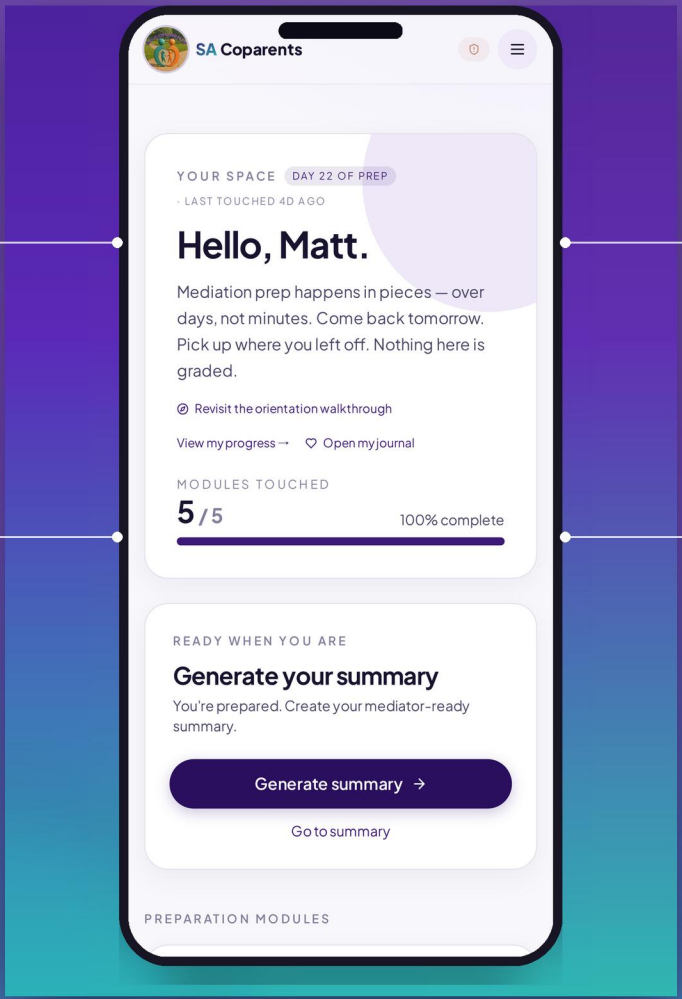

Helping parents communicate better

See it inside the app.

A calm, private space to reflect, plan, and reply — with your child at the centre.

Personalised dashboard
Pick up where you left off — nothing here is graded.

Coach-drafted replies
Rewrite emotionally-charged messages into calm, child-centred ones.

Journal & breathe
4-7-8 breathing widget and guided prompts to steady you.

Safety-first tools
DA-informed check-in, quick exit, and hotlines one tap away.

Open the app.

Free to try. Private by default. No download required — it works in your phone or laptop browser.
