Special Needs Co-Parent Comparison

A neutral side-by-side view of what Alex Rivera and Jordan Rivera reported. This report does not label either parent as correct or incorrect. It highlights where you already agree and where a coordinated conversation may be helpful.

This document is for co-parent preparation and mediation. It is not legal advice, does not determine parental fitness, and does not diagnose.

Safety notice: this is a synthetic sample. If either parent's circumstances change, revisit the Family Violence & Communication Safety Assessment before continuing to share detailed information.

At a glance

87 shared questions compared. 93% aligned. 0% show different views.

Shared pathways: medical, educational, psychological

5 things you already agree on

A neutral snapshot of your strongest shared ground. Consider starting your co-parent conversation here.

Step 2. Identify the Child's Current Needs

Medical Needs

Which of

Both parents selected: Chronic medical condition, Medication schedule, Specialist appointments

Are any of these additional areas also involved? Select all that apply, or leave blank.

Aligned

Both parents selected: Sleep or fatigue issues

Educational Needs

Which of

Both parents selected: Classroom accommodations, IEP or Section 504 services, Tutoring or academic support

Are any of these additional areas also involved? Select all that apply, or leave blank.

Aligned

Both parents selected: Family stress affecting the child

Psychological or Behavioural Needs

Which of

Both parents selected: Anxiety-related supports, Counselling or psychotherapy, Emotional-regulation strategies

Are any of these additional areas also involved? Select all that apply, or leave blank.

Aligned

Both parents selected: Sleep or fatigue issues

Step 3. Review Professional Recommendations

Medical Needs

Who is c
treating y

Both parents selected: Paediatrician, Specialist physician

What does the most recent medical recommendation include? Select every category that applies.

Aligned

Both parents selected: As-needed / rescue medication, Daily medication, Follow-up testing or imaging

Do you have the recommendation in writing (report, plan, prescription, IEP, etc.)?

Aligned

Alex Rivera
Yes

Jordan Rivera
Yes

I understand the current recommendations for my child.

Aligned

Alex Rivera
4 - Agree

Jordan Rivera
4 - Agree

Educational Needs

Who is c
who has

Both parents selected: IEP or 504 team, Teacher
What does the most recent educational recommendation include? Select every category that applies.

Aligned

Both parents selected: Classroom accommodations, Special-education services (IEP), Tutoring or academic support
Do you have the recommendation in writing (report, plan, prescription, IEP, etc.)?

Aligned

Alex Rivera
Yes

Jordan Rivera
Yes

I understand the current recommendations for my child.

Aligned
